

BOWLER CLIP.

DATA SHEET

Product description.

Bowler clip is used to attach pipes onto steel mesh.

This new and innovative type of clip, provides easy, fast and effective fixation of pipes onto the steel mesh.

The design of the clip means that, the clip is simply pushed down over the pipe on the steel mesh and in one simple push, attaches the pipe to the steel mesh. No special tools is required for the clip to function. If the need arises, the clips can easily be removed, only to be used again. The design of the clip means that, it can be attached to the upper and lower thread of the steel mesh.

The clip is a Danish invention and is developed and produced in Denmark.

The clip series is made from 100% recycled plastic.

Item data:

ITEM NO:	BOW200850
EAN NO:	5700002280336
ITEM TYPE:	BOW2008
PREPACK:	50 PCS.
COLOR:	BLACK
HOLDS PIPE:	20mm.
FOR USE ON STEEL MESH:	8mm.
HALOGEN FREE:	YES
PVC FREE	YES
100% RECYCLED:	YES
RoHS & REACH DOCUMENTATION	YES
MADE IN DENMARK	YES
PRODUCT LINK MANUFACTOR:	WWW.CLIPSGROUP.COM
RD:	015032497-0001

Works well with
assembly tool.
Item no: BOW700905

Strong hold

Easy to use

Works on upper
and lower thread
