

ASSEMBLY TOOL FOR BOWLER CLIP SERIES.

DATA SHEET

PRODUCT DESCRIPTION.

Specialized assembly tool for the Bowler clip series.

The assembly tool provides better working position and better workflow, where needed.

With the possibility of adjusting the tool, in height, from 70 – 90 cm., it will provide great comfort to the user, and workflow.

The tool is simple and very effective. Simply attach the clip to the specialized mouthpiece, at the bottom, and push it over the pipe and steel mesh. With a gentle push, the clip will slide into place and hold the pipe to the steel mesh. The entire work procedure can now be done from an upright and standing position.

The clip is loaded into the tool manually – one at the time.

The assembly tool is invented and made in Denmark.

ITEM DATA:

ITEM NO:	BOW700905
EAN NO:	5700002280343
PREPACK:	5 PCS.
COLOR:	BLACK/GREEN
HOLDS CLIP:	BOW2006/BOW2008
ADJUSTABLE:	70 – 90 CM.
HALOGEN FREE:	YES
PVC FREE:	YES
RoHS & REACH DOCUMENTATION:	YES
MADE IN DENMARK:	YES
